Tour Description This is a great ride through Ohio and West Virginia to see the Fall Colors. The City of Athens Ohio understands what riders want and have "rolled out the red carpet" and welcome all motorcycle riders. We will leave the Chicago area on Sunday and ride through Indiana and Ohio to Athens. We will make a stop at the AMA motorcycle museum on our way to Athens. We will spend the next 5 nights in Athens Ohio; a great University town with many great places to eat and drink and much more. This area is part of Appalachia and is rich in American history. It is a "hidden gem" with some of the best riding roads in the country. Much of the riding is along the Ohio River between Ohio and West Virginia. One day we will cross the river into West Virginia for lunch at "Hillbilly Hot Dog" in Lesage West

Va.
